Re: Trailer located on the property of the Toronto Soaring Club

Dear Sir,

I am writing to inform you that it is the policy of the Toronto Soaring Club (TSC) that persons having property located on the premises of TSC be members in good standing. In light of your absence and non-payment of membership and trailer fees, we kindly request that you remove your trailer from the property of TSC within the next ninety (90) days. If this is not possible, please contact me to make alternate arrangements. In the event that you are unable to remove your trailer and fail to make alternate arrangements, TSC will have your trailer removed at your expense after ninety (90) days of this notice.

We appreciate the contributions that you have made to the Toronto Soaring Club in the past and trust that you will accommodate our request at your earliest convenience.

Respectfully,

---
